

Mrs Laura Murray

Creative Designer

130.Kesteven Way.Hull.HU7 3nr

email: laura@pnutd.co.uk

web: www.pnutd.co.uk

number: 07403 271 751

A bit about me:

I am a professional creative designer, a hard working and committed person; constantly striving to improve and increase in skill. I actively seek out new challenges, being punctual with work and enjoy talking to clients with a happy demeanor; I love my work. I enjoy working as a team member, a team leader or on individual basis; offering support to all my colleagues and clients. I communicate well and have a desire to provide excellent and efficient client experience and am always willing to go the extra mile.

The Degree:

Graphic Design Bachelor of Arts

Things I know:

I use Photoshop, Illustrator and InDesign on a daily basis. I am confident with Wordpress.

Where Freelance Began:

In 2015 I decided to pursue freelance design as my full time employment as I became a mum for the first time and since then I have become a mum again and enjoy sharing life's experiences with my two boys. They inspire me daily and help me with my work, especially because they are both so photogenic, so we have lots of fun.

The PnutD Family:

I have a number of long standing clients who have become the PnutD Family. The kinds of work for these family members include social media design, consultation design and event advertising, marketing, online promotion and print design. I am the lead designer for Revive Church in Hull, the sole designer for Love Life UK and Generation Builders Ministries.

I have worked hard to deliver high quality designs in line with business and company branding, working in partnership with the management of each to make sure all design outputs are vision centric, deliver the right message and are modern and vibrant.
